

Instructions for Hardrock Cleaner/Stripper CS7025

DIRECTIONS :

1. **To clean marble** if no sealer is present, mix one part **Hardrock Cleaner/Stripper** to twelve parts water. Scrub onto marble surface with sponge. Rinse and dry immediately.
2. **To remove wax** mix one part cleaner/stripper to four parts water. **To remove sealer** mix one part **cleaner/stripper** to two parts water.
3. **For floors:** Apply liberally with mop. Allow to stand for 3 to 5 minutes, and then agitate with brush or white pad. Pick up with mop or wet vac. Rinse thoroughly, with special care to grout lines. Let dry completely before polishing process.
4. **For counters, tables, etc.:** Apply liberally to marble surface with sponge. Allow to stand 3 to 5 minutes, and then agitate with brush or sponge. Rinse thoroughly and allow to dry before applying polish.

SAMPLE TESTING: Before using, always test each surface to be treated in a small inconspicuous area to insure the desired results will be achieved. Consult supplier for further information and precautions, including Material Safety Data Sheets.

WARNING:

Contains 2-Butoxy ethanol and monoethanolamine. Use only in areas with all doors and windows open to ensure adequate ventilation. Avoid breathing of vapor and contact with skin. Keep away from eyes.

FIRST AID:

Skin: Wash with soap and water. If irritation persists, call physician.

Eyes: Flush with water for 15 minutes. Call physician.

Ingestion: Drink large amounts of water followed by citrus juice, call physician.

Inhalation: Get person to fresh air. If unconscious, call physician.

Container Disposal:

Rinse three times with water. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill (dump), or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay away from smoke.

Keep out of reach of children.
