

# Instructions for Hardrock Cream Hardener AK6000

## **INSTRUCTIONS:**

1. Knead before using. For best results, blend paste thoroughly with major component. (Refer to mixing instructions on the major component container.)

**SAMPLE TESTING:** Before using, always test each surface to be treated in a small inconspicuous area to insure the desired results will be achieved. Consult supplier for further information and precautions, including Material Safety Data Sheets.

**WARNING** – Combustible Oxidizing Material. Contains Benzoyl Peroxide in Ester Type Plasticizer. Keep away from heat, sparks and flame. Store at 80°F (26°C) for maximum effectiveness. Not to be taken internally.

## **FIRST AID**

**Skin:** Flush with liberal quantities of water.

**Eyes:** Flush with liberal quantities of water. Get medical attention.

**Ingestion:** Dilute stomach contents with water. Do not induce vomiting.

**Inhalation:** None.

**Keep out of reach of children.**
